SALON
OF
1890

PARIS
GOUPIL & Co.

BOUSSOD VALADON & Co. SUCCESSORS

Second Year of English Text Edition.

GOUPIL'S

PARIS

SALON

OF 1890.

Text in French or in English.

THE instantaneous and unqualified success which met the issue, last year, of an English text edition of this beautiful annual art volume, has induced the Paris publishers to continue the publication — no longer an experiment — and every effort is being made to have the volume for 1890 outdo in attractiveness and real art value, even its exquisitely beautiful predecessor.

THIS YEAR'S VOLUME will contain representative selections from both the 1890 exhibit of the old "Salon" and the first one of the new MEISSONIER "Salon," one hundred prize paintings being represented in all.

"As the Annual 'Paris Salon' is the great competitive field into which enter the foremost national artists not only of France, but of England, America, Italy, Germany, Belgium, Holland, Spain, and in fact of the whole world, its prize paintings each year may justly be regarded as the chef d'œuvres of modern art."

Note Reductions in price of this year's volume.
Imperial 8vo, Red Silk Cloth, 'Palette' design.

Dear Sir:

I being indebted for your esteemed address to Mr. Allan Marquand of Princeton College, Princeton, N.J. we take the liberty to hand you herewith the photograph of a "Christ-a-fresco" painting, which through your kindness we would like to bring to the attention of the Corcoran Gallery or the Smithsonian Institute with a view of finding a purchaser for the fresco painting in one or the other of the institutions referred to above.

The fresco, together with the whole piece of wall to which it is attached, was taken out of the monastery of "Annalena", Italy and is proved to be at least 550 years old.

Its dimensions are about meter 1,50 by 1,60 and the weight from 800 to 1000 kilos.

24
We need not mention to you that the fresco is of great historic value and would certainly be a very desirable acquisition for any gallery having a collection of antique pictures.

The price of the painting (\$1500.⁰⁰ Free board N.Y.) considering its historic value being very reasonable indeed we would be pleased if you would kindly give the matter your consideration.

Trusting that in case of inconvenience you will please return the photograph to us we remain, Dear Sir

Ours respectfully

Dear Corcoran

I have just finished
my last work, painting of the
entrance to Mammoth Cave,
showing the mouth and some
of the surrounding country.
From what I understand it
is the only painting of the
kind that has ever been
done, of Kentucky's greatest
Wonder.

As the cave is one of the
natural curiosities of our
country, and anything pertaining
to the same being of interest
to everybody, I thought there

may be some possibility of its

How and when the committee
meets etc. etc.

Hoping that I have not
infringed on your valuable time,
and appreciating any trouble

EVERY READER HIS OWN IMPORTER OF
ENGLISH BOOKS AT ENGLISH PRICES AT
TWENTY-FIVE CENTS TO THE SHILLING.

B. F. STEVENS's American Library and Literary Agency was established in London in 1864 for the supply of European books to Public Libraries and private collectors in the United States. The facilities and economies offered by this agency to book buyers in America include:—

Prompt execution of orders. All books are despatched by early mail or steamer.

New Books are charged at trade prices, which are usually twenty-five per cent off the price of publication.

OLD OR SECOND-HAND BOOKS are charged at lowest nett prices.

Commission of ten per cent on trade or nett prices.

Book postage to America is only one halfpenny for every two ounces up to four pounds weight.

Small quantities of books may be included in B. F. Stevens's weekly shipments to his New York agents, each package being charged with its proportion of freight, expenses and clearance at the Custom house, exclusive of duty, thus making the cost of transit very moderate. Larger shipments are consigned as the buyer instructs.

The discount off publication price is about equivalent to the cost of freight or postage and commission; hence in making purchases of new books it is safe to estimate that the books would be received at a cost of 25 cents to the shilling (publication price) exclusive of duty, if any.

Priced lists of current publications, with publishers' announcements and literary notices, are printed in the *Publishers' Circular*, issued fortnightly, and in the *Bookseller*, monthly. Special attention is paid to forwarding catalogues of English and Continental publishers and booksellers when desired.

Superior Library Binding can be done in half levant morocco in a few days, and costs considerably less than in the United States.

The United States duty of twenty-five per cent is taxed on the nett prices of books printed within twenty years. All older books are duty free.

Public Libraries, Colleges, Academies, and other incorporated institutions are entitled to make all their importations free of duty.

THE extensive experience of this Agency in the selection and purchase of rare old books and manuscripts is placed at the service of book Collectors in the United States. Book auctions are carefully watched and good knowledge kept of the stocks of the old booksellers of Europe. Lists of desiderata have the best attention, and in the selection of books the most careful comparison of copies is made.

Advance copies of sale catalogues, when they are printed in sufficient time for orders to be sent before the sale takes place, are supplied when desired.

Special attention is also paid to binding old books in the most appropriate manner by the best English and French binders.

Engravings, Drawings and Paintings, Philosophical Apparatus, Scientific Instruments, and all other wants of libraries receive due attention.

This being a strictly ready-money commission business, it is necessary that orders should be accompanied by funds, and that current accounts should be kept well covered.

Remittances to B. F. Stevens, 4, Trafalgar Square, Charing Cross, London, England, may be made in sterling by Bankers' drafts, or Post Office orders on London; or in American currency at five dollars to the pound sterling, this being 25 cents to the shilling. For odd amounts send postage stamps.

DEC 29 1890

Washington, D. C.

Dear Sir,

I have the pleasure to acknowledge the receipt of your letter of November 29, enclosing remittance £2.13.7. in payment of certain subscriptions, and I thank you.

In compliance with your request I have entered your subscriptions, but the amount sent does not quite cover the cost, which is £2.15.0.

Will you please remit the balance £0.1.5. (35cents). either direct to me, or if more convenient to Messrs Tice & Lynch, 45 William Street, New York.

Always at your service,

I am, dear Sir,

yours faithfully,

B. F. Stevens
